

Postdoctoral Research Abroad Program

Ministry of Science and Technology, Republic of China (Taiwan)

Introduction

The Postdoctoral Research Abroad Program, sponsored by Ministry of Science and Technology, is intended to subsidize Taiwanese postdoctoral researchers to conduct research at an accredited educational institute abroad. The goal of this program is to encourage qualified individuals to gain research experience overseas, develop their global perspective, and strengthen international collaborations for a maximum of two years.

Eligibility

- The applicant must be a citizen of the Republic of China (Taiwan).
- The applicant must hold a Ph.D. degree, conferred in the last five years, by any accredited educational institute in Taiwan.

Award

- Each successful grant recipient will receive 1,300,000 NT dollars (about 44,000 US dollars) each year for a maximum of two years.
- The grant period starts on the following date which comes the later: 1. the date for the grand recipient to arrive at the host institute, or 2. the date to complete signing of the binding contract.
- No institutes and advisors will receive any subsidies from the Ministry of Science and Technology.
- During the recipient's stay, all office space and related equipment for research shall be provided by the host institutes or advisors.
