

ONLINE WINTER SCHOOLS 2021

RUSSIAN STUDIES IN REAL RUSSIA

1

Russian Woman - Russian Power

The main aim of this program is to highlight the role of Russian women in Russia's sociopolitical and economic spheres. From the imperial Russia to the soviet times until nowadays, we will focus on the role of Russian women shaping their lives and the lives of others in the different aspects of Russian life. Our participants will have a unique and extraordinary opportunity to meet Russian women who achieved great success in sport, ballet, art, space and archeology.

2

Russian Art Space

Russian Studies in Real Russia offers you an insight into the Russian finest works of contemporary art. Together, we will discover the changes in the genres of Russian contemporary art and learn how the development of art is connected with the history of Russia through its literature, architecture and media art etc.

3

United Colors of Russia

Known as the biggest country in the world, Russia comprises a homeland for more than 190 different nationalities. Therefore, in this program we will learn about the ethnoreligious politics and approaches in pluralistic Russia, as our participants will have the chance to speak and learn directly from representatives of different ethnicities and nationalities.

4

Is the grass greener on the Russian side?

In this program we will focus on the Russian position in Ecological System and Sustainable Development as we will study the position of Russia in *l'accord de Paris*. Our speakers, who will be academic professors and representatives of different environmental organizations, will discuss with you the current issues in Russia and look at the civil awareness and initiatives concerning nature and environment protection.

5

Russian Studies in Real Russia through the medium of Chinese Language

Since language is a key to communication and understanding, as the use of mother tongue has a great importance in educational process, we offer you in cooperation with the Institute of Confucius to learn Russian language in Chinese with our qualified Russian Teachers. The lessons of Russian language are interconnected with our program devoted to Russian cultural peculiarities.
